1. Introduction

1.2. Purpose and mission of MINEPLEX PTE. LTD.

Purpose of MINEPLEX PTE. LTD - creating an ecosystem of products for daily use of cryptocurrencies anywhere of the world: paying bills, buying goods, saving and multiplying assets.

Mission of MINEPLEX PTE. LTD - expanding the influence of the blockchain and its complex integration into the spheres of real life. We want to take off restrictions on access to the world of cryptocurrencies, separating miners and ordinary users. Implement accessible, understandable and simple financial instruments for the use of cryptocurrency and fiat. To implement the project, we develop our own unique blockchain with the Liquid Proof-of-Stake (LPoS) consensus algorithm, which combines advantages such as simplicity, speed and decentralization.

2. Scope of the Agreement

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05
International Plaza Singapore 079903 1

The user must stop using the services and site <https://mineplex.io> and its subdomains, if it does not agree with any or changes to the Agreement.

4. Description of MINEPLEX PTE ecosystem services. LTD

The Company provides a platform for Users with the ability to join various bonus and cash back programs that provided by partner banks, as well as access to multi currency crypto wallet.

These programs allow the user to purchase MINE tokens and receive rewards in the form of PLEX tokens up to 20% per month, as well as access to other services of the MINEPLEX PTE ecosystem. Ltd. To MINEPLEX PTE ecosystem services. LTD include.

4.1. Mobile application MinePlex.Finance

MinePlex.Finance is a next-generation CrossFi financial mobile platform. Your own bank account in EUR, GBP and PLEX tokens.

On the basis of an IBAN payment account operating in the SEPA European payment system and the SWIFT international payment system, with an access tool in the form of a MasterCard debit payment card, it is possible to store money, make bank transfers, open accounts in PLEX and fiat currencies, and perform other operations within a digital bank or financial supermarket MinePlex.

Install MinePlex.Finance to:

- create multi-currency bank accounts in your own smartphone anytime, anywhere;
- make transactions in PLEX tokens, euros or pounds sterling in seconds,
- arrange for the delivery of a physical MinePlex bank card to anywhere in the world;
- open a virtual MinePlex card for online purchases with fiat and cryptocurrency, and much more.

4.2. Mobile Wallet MinePlex.Money

MinePlex.Money – electronic payment system for payments in the MinePlex ecosystem and external payments based on cryptocurrencies.

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05 International Plaza Singapore 079903 1

MinePlex.Money allows:

- manage major cryptocurrencies (Ethereum, Tether ERC20, Tron, Tether TRC20, BTC) and MINE and PLEX tokens;
- pass verification for further receipt of the MinePlex card and invoices for it for payment in the services of our partners;
- send and receive transfers;
- convert cryptocurrency;
- withdraw funds to an account or card.

4.3. MinePlex.Explorer

To keep track of up-to-date information about the current state of PLEX and MINE, display recent transactions, general information about wallets and plex pools, we created MinePlex.Explorer, a system that stores all public data.

4.4. MinePlex.Payment

MinePlex.Payment – a payment system that combines issuing and acquiring products of international payment systems and cryptocurrencies, providing a universal payment service for e-commerce merchants both at POS-terminals and self-service kiosks.

Its main feature is transactions in PLEX directly, without converting to fiat and involving third-party organizations.

Users have access to:

- obtaining corporate accounts in Ethereum, Tether ERC20, Tron, Tether TRC20, BTC, MINE, PLEX cryptocurrencies;
- verification of the user as the main owner of the account;
- verification of your company;
- adding products for accepting payments and statistics on them;
- getting our API to implement payment pages;
- technical documentation and support from our side;
- transaction history for each product of your company;
- withdrawal of funds.

4.5 Mineplex.Auth

A single point of entry into the MinePlex ecosystem, allowing you to conveniently and comfortably work with all products.

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05 International Plaza Singapore 079903 1

One of our main priorities is security, so MinePlex.Auth has three modules that are responsible for security:

- security module;
- input data validation module;
- module for storing and encrypting user's personal data.

4.6 Mineplex.Market

MinePlex.Marketplace – a trading platform with a wide partner network and an assortment for sellers and buyers, with instant settlements and payments between them, regardless of their region of presence.

Payment is made in cryptocurrency, the main feature of the marketplace is the ability to use commodity staking.

5. Mineplex Blockchain

5.1. MINEPLEX PTE. LTD Blockchain features.

- 1.The decentralized system MinePlex is built on the multi-stage architecture of the Tezos blockchain, which allows you to make changes and upgrade the system without hard forks.
- 2.The most important element of the blockchain are smart contracts developed in the Michelson language, which is used in the aerospace industry, where the cost of error is especially high.

5.2. The MinePlex blockchain speeds up and simplifies crypto-to-fiat transactions:

- A single application for accessing cards and wallets is protected by several levels of security;
- Buying and selling cryptocurrency and fiat in seconds without leaving your wallet;
- Payment of utilities, repayment of a loan, sending a transfer in cryptocurrency
- and fiat;
- All transactions are direct. They can be verified by participants in transactions,
- because they remain in the register of records;
- The security protocol in the decentralized system blocks scammers automatically.

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05 International Plaza Singapore 079903 1

5.3. Characteristics of MinePlex platform tokens

The MinePlex Banking ecosystem is based on 2 tokens: MINE and PLEX.

MINE is a base token, a means of paying internal fees.

It is a unit of computing power of the MinePlex blockchain, needed to generate new tokens on the network.

MINE token is not subject to volatility, nominal value is \$0.01.

PLEX is a liquid limited supply token. Emission PLEX happens every new block, i.e. once a minute.

Due to the fact that the emission is limited, and its speed and size decrease over time, the PLEX token has deflationary nature.

5.4 TECHNICAL CHARACTERISTICS OF TOKENS

Ticker		
Purpose	eunit of computing power	payment instrument
Initial emission	259 200 000 000	0
Maximum emission	259 200 000 000	414 720 000
Number of signs after the decimal point	4 signs	4 signs
Starting price	0,01 USD	0,20 USD
Blockchain	MinePlex	MinePlex
	purchase in personal account, exchange for PLEX inside blockchain, P2P.	charged for plexus token MINE, buying on the exchange after listing, P2P.

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05 International Plaza Singapore 079903 1

5.5. Issue of tokens

5.5.1. Issue of MINE tokens

01

The emission of the MINE token is 259 200 000 000.

02

10% of the issue (25,920,000,000 MINE) is a reserve fund mineplex. Part of the reserve fund tokens in the amount of 2,592,000 000 will form the initial stake, which in turn provides the starting price of the PLEX token.

03

20% of the issue (51,840,000,000 MINE) will be allocated for sale through Personal Area.

04

70% of the emission (181 440 000 000 MINE) will be on a special smart contract that exchanges PLEX tokens for a token MINE inside the blockchain.

5.5.2. Issue of PLEX tokens

The emission of the PLEX token is divided into 4 stages. For each stage there will be 25% of the total issue was issued - 103,680,000 PLEX.

Stage	1	2	3	4	Total
Emission per block	600	300	150	75	
Blocks per stage	172 800	345 600	691 200	1 382 400	2 592 000
Emission per stage	103 680 000	103 680 000	103 680 000	103 680 000	414 720 000

The size of 1 block is 1 minute.

User agreement: MINEPLEX PTE. LTD. Address: 10 Anson road # 20-05 International Plaza Singapore 079903 1

6. Registration of a Personal Account
